Earth Day 5K

Benefiting Union County Habitat for Humanity

April 17, 2010 – Downtown Monroe, NC

Come out for a day of healthy living, for both you and the environment. The 2nd annual Earth Day celebration is a family event to promote healthy living by providing a fitness opportunity, while encouraging attendance and participation at the Earth Day Celebration. Proceeds from the event will provide financial resources to assist Habitat for Humanity in environmentally friendly building practices. All race entrants receive an Earth Day t-shirt made from recyclable material.

The certified 5k course is flat and winds its way in and out of downtown Monroe, with the finish adjacent to all the family friendly Earth Day activities.

EVENT ACTIVITES INCLUDE:

5K Run/ Walk Start Time: 8:00am Children's Fun Run Start Time: 9:30am
